We would like to personally thank each & every parent for their extended cooperation in making KG Section a living example of a SECOND HOME.

### A Box Full of Kisses

A man once punished his 3-year-old daughter for wasting a roll of gold wrapping paper. Money was tight, and he became infuriated when the child tried to decorate a box. Nevertheless, the little girl brought the gift to her father the next morning and said, "This is for you, Daddy."

The man was embarrassed by his earlier overreaction, but his anger flared up again when he found out the box was empty. He yelled at her, stating, "Don't you know, when you give someone a present, there is supposed to be something inside? The little girl looked up at him with tears in her eyes and cried, "Oh, Daddy, it's not empty at all. I blew kisses into the box. They're all for you, Daddy."

The father was crushed. He put his arms around his little girl, and he begged for her forgiveness.

In a very real sense, each one of us has been given a gold container filled with unconditional love and kisses. There is simply no other possession, anyone could hold, more precious than this.

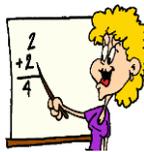

So, my dear friends be patient with your little ones & learn to deal with them with love and care!
